PREVIOUS WORK TESTIMONIALS

The NEW ****! HUGE opportunity for the right developer.

Apr 2016 - Aug 2016

★★★★★ 5.00

Joe's research was bar none for this project and showed his deep knowledge of development and CMS. I will hire Joe for the next stage of this project, right away! I highly recommend Joe!

New Website Development

Oct 2015 - Nov 2015

★★★★★ 5.00

Magnificent Job! Well done on your efforts, you are a true champion designer, best I have experienced! Overall your work is far better than anticipated as your rate was very reasonable, and we look forward to ongoing work with you in the future. Thanks again for a great job well done!

Versatile front-end developer with an eye for UX and A/B-testing

Dec 2015 - Jan 2016

★★★★★ 5.00

Joe was a great designer. He re-created our design, implemented on new servers and had many good ideas for improving conversions and design elements. I would recommend him for anyone looking for redesign their business website.

Website Adjustment

Dec 2015 - Jan 2016

★★★★★ 5.00

Joe not only performed a very high level of work, at all hours, he helped me recruit a brilliant junior contractor to perform additional uploading works and worked with the contractor to perform the function of briefing and support. Highly recommend the contractor for a 360 degree solution to web development. Thanks again Joe.
